Experience

Production Artist; The Ant Farm; Hollywood, CA 2007-Present

Produced Designs and Animation for Feature Film Previews, Home Video Spots, and Game Trailers. Worked tightly with a large team of artists, managing multiple projects with lightning-fast turnarounds.

Graphic Artist, Eminence Front Productions; Los Angeles, CA 2006-2007

In charge of Graphics department for this EPK company, developing Title Cards, Lower Thirds, Transitions and more for DVD Special Features and Premium Cable Shows.

Founder, Momo Pro; Los Angeles, CA 2000-Present

Developed my own client base, utilizing a wide range of creative technologies - Graphics, Video, Web Design, Interactive Media. Clients include Instant Films, FHM Online, Progressive Brands and Karelia, LLC.

Tech Director, Instant Films Festival; 2004-Present

Responsible for setup of AV and for digitization and playback of movies made during this regularly occurring 48-hour film shoot/festival. I interface with jumpy directors racing to get their film submitted in time to be shown, often cueing just-delivered tapes halfway through the screening and producing a smooth show for the oft-sold-out 400+ seat theater.

Visual Performer/VJ; Los Angeles CA 2003-Present

Created and Performed live video experiences for Numark Industries, the Walt Disney Concert Hall, the LA Weekly Detour Festival, Remix Hotel, Michael Brook, Robin Guthrie, and many nightclubs around Los Angeles.

Video Production Instructor, Los Angeles Unified School District, 2003-2006

Developed and Taught intensive video production course to at-risk high school students. Wrote the curriculum, built the computer lab, organized the film festivals.

Education

Los Angeles City College - Associates Degree in Cinema - 2003

Skills

Software: After Effects, Cinema 4D, Final Cut Pro, Illustrator, Photoshop, Apple Motion, DVD Studio Pro, Flash

Hardware: Macintosh + PC Systems, Video Cameras, Projection Systems, MIDI Interfacing, Patch Bays, Video Mixers
